William Dobbins Burned to

Death at Gallup.

Flames While Fighting Forest Fire.

It is held by some eminent physiol-

egists and scientists that after the

first short, sherp agony caused by

lup, and it threatened the destruction

of fences and other property. The

party separated and went in differ-

ent directions. After they had iluished

tneir work they returned to their

homes, and then it was that Mr. Dob-

ccad-burned to a crisp. He was ly-

ing on his face, and it is supposed

fire he was choked and blinded by

smoke, and, becoming insensible he

a umbjed and fell among the Hames.

And thus he died, beyond the reach

Mr. Dobbins was one of the most

minent men in his neighborhood.

He was about 72 years of age,

He left a widow and one grown child
